

CORELLE®

There's nothing else like Corelle. The secret is our proprietary three-layer glass—yes, glass--fired to an amazingly strong and lustrous finish, backed by our [No Chip, No Crack Guarantee](#). Corelle dinnerware comes in styles for every taste, mood, and season, and you can mix and match them to make them your own. Corelle® dinnerware is stylish enough to own a room but stacks up in less space than ceramic plates and bowls. It's non-porous and ultra-hygienic--a healthy choice to keep your food pure and clean. Plus, it's easy to clear and clean. At last, beauty without compromise: Corelle®.
